

PTS - E-learning

Course Aims

You must complete this e-learning and pass the knowledge check at the end before you can proceed to the practical PTS Initial training day.

The e-learning takes about 3.5 hours to complete. We recommend that you use it in shorter sessions - the system will remember your progress the next time you go in. Use the 'Exit' button whenever you leave the e-learning.

You can repeat and review the learning sections as much as you like. This can help you remember the learning more easily.

The e-learning is designed to work on Windows computers (but not iPads). It includes audio and video - you'll need headphones (or speakers).

Duration

Approximately 3.5 hours
